### NOTE

On February 21st, 1931, the Court adopted a new version of Article 65 of its Rules providing that its judgments, orders and advisory opinions, which had previously been embodied in two series of publications, namely: Series A, *Judgments and Orders*; Series B, *Advisory Opinions*, should be combined *in a single series*.

For the fascicules which have been published in these series prior to the said decision of the Court, the table hereafter (pp. 3-5) indicates both the *new* numbering (figures at the left between brackets) and the *old* numbering (fatfaced figures). The latter is the only one appearing on the fascicules themselves.
