

DISSENTING OPINION OF VICE-PRESIDENT
WEERAMANTRY

My opinion in this case is the same, *mutatis mutandis*, as that which I have delivered in *Yugoslavia v. Belgium*.

I do not need to repeat the text of that opinion here and it will suffice to observe that all that I have said there applies equally to this case, and should be considered to be incorporated *mutatis mutandis* in this opinion.

In the result I dissent from the Court's Order dismissing the application for provisional measures and hold that provisional measures should have been issued for the reasons and in the manner indicated in my opinion in *Yugoslavia v. Belgium*.

(Signed) Christopher G. WEERAMANTRY.
